Sample application form

Methane Emissions Reduction in Livestock – Stage 3: Validation and Demonstration Round 2

Version January 2024

This document shows the questions included in the online application form for this grant opportunity. It will help you prepare your responses and the mandatory attachments you need before you apply online.

Instructions

The online form captures the information required by the department to assess and manage your application for services and funding.

The first page of the application page contains the following instructions.

Completing your application

The application consists of separate pages as shown in the navigation menu on the left hand side of the portal page. You can navigate between pages using the menu or the buttons at the bottom of each page.

A red asterisk * indicates a mandatory question. A warning message may appear if you have not completed all of the mandatory questions or if there is an issue with information you have entered.

Saving your responses

You can save your changes at any time by using the Save button.

To prevent you losing your work you should save often. The portal will time out after 30 minutes if you do not save. Typing or moving your mouse does not reset the time out.

You must use the Save and Continue button to validate the information on each page. If you use the menu to navigate between pages, you will be prompted on the final page to go back and validate all of the information you have entered. A green tick indicates a validated page.

You can modify saved responses up until you submit your application.

Participants

You may invite others to assist in completing your application via the application summary page. To do this:

- Select the Participants button
- Enter the details

An email will be sent to the participant inviting them to assist with your application.

Submitting your application

You must complete every page of the application before you can submit.

You must also read and agree to the declaration which advises you of your responsibilities.

Check all your answers before you submit your application. After you submit, it will no longer be editable.

Internet browsers supported by the portal

We recommend that you use the following browsers for optimum functionality:

- On Windows: The latest versions of Mozilla Firefox, Google Chrome and Microsoft Edge
- On Mac: The latest versions of Safari and Google Chrome

A. Program selection

Before you start your application, we need to first identify what type of entity is applying.

Some programs we offer allow entities without an ABN to apply. The form is designed to accommodate these entities. However for this grant opportunity, an ABN is mandatory. If you do not have an ABN this grant opportunity will not appear in the program selection at the bottom of the first page and you will not be able to continue.

If you are a trustee applying on behalf of a trust we will need details of both the trust and trustee.

Before you start you should have the following details ready if they are applicable to you.

- Australian Business Number (ABN)
or
- Australian Company Number (ACN)
- Indigenous Corporation Number
- Australian Registered Body Number
- Australian Registered Scheme Number
- Incorporated Association Registration
- Co-operative Registration Number
- Charity status
- Not for profit status

Where applicable, international organisations will need to provide

- country of registration
- registration number

A.1. Program selection

You must select from a drop-down menu the program that you are applying for. If you have been provided with an Invitation code, you will be able to enter it here which will select the program for you.

- Field 1 select - Methane Emissions Reduction in Livestock – Stage 3: Validation and Demonstration Round 2
- Field 2 select - Methane Emissions Reduction in Livestock – Stage 3: Validation and Demonstration Round 2

When you have selected the program, the following text will appear.

This grant opportunity will run from 2024-25 to 2026-27.

The grant opportunity was announced as part of DCCEE's Outcome 1: Support the transition of Australia's economy to net-zero emissions by 2050; transition energy to support net zero by maintaining security, reliability and affordability; support actions to promote adaptation and strengthen resilience of Australia's economy, society and environment; and take a leadership role internationally in responding to climate change. Up to \$9 million is available for this grant opportunity.

The objectives of the program are to:

- fast-track the development and commercial readiness to deliver methane-reducing solutions to grazing animals at large-scale
- validate and demonstrate the impacts, effectiveness and safety of methane-reducing solutions under Australian operational environments
- engage and collaborate with livestock producers to ensure methane-reducing solutions can be adopted in a cost-effective way within common grazing management operations
- leverage co-investment to develop, validate and demonstrate benefits of the methane-reducing solutions.

The maximum grant amount is \$3 million and the minimum is \$1 million.

You should read the [grant opportunity guidelines](#) and [sample grant agreements](#) before filling out this application. We recommend you keep the guidelines open as you are completing your application so you can refer to them when providing your responses.

You may submit your application at any time up until 5.00pm AEDT on 20 March 2024. Please take account of time zone differences when submitting your application.

B. Eligibility

We will ask you the following questions to establish your eligibility for the Methane Emissions Reduction in Livestock – Stage 3: Validation and Demonstration Round 2 grant opportunity.

Questions marked with an asterisk are mandatory.

Select which type of entity your organisation is. *

- an entity, incorporated in Australia
- an incorporated trustee on behalf of a trust
- a co-operative
- a publicly funded research organisation (PFRO) as defined in the guidelines
- an Australian state/territory Government agency or body
- none of the above.

You must select one of the eligible options from a drop down menu to proceed to next question.

- Do you declare that you have or will have relevant intellectual property arrangements in place in order to undertake your project? *

You must answer yes to proceed to next question.

- Do you declare that you will collect and provide research data and outputs to DCCEEW, and any nominated third party for the purpose of supporting updates to the livestock emissions framework? *

You must answer yes to proceed to next question.

- Do you declare that you will have access to appropriate volumes of the material for methane-reducing solutions to undertake the project activities? *

You must answer yes to proceed to next question.

- Do you declare that your proposed solution is at TRL 4, 5, 6 or 7? *

You must answer yes to proceed to next section.

C. Applicant address

C.1. Applicant street address

You must provide your street address

When you start typing the address in the field you can select the correct one from the drop down list that appears. If it is not there you can enter manually.

C.2. Applicant postal address

You must provide your postal address

When you start typing the address in the field you can select the correct one from the drop down list that appears. If it is not there you can enter manually.

D. About your organisation

We collect the following data from all applicants across all grant programs. We use this data to better understand your organisation and to help us develop better policies and programs.

D.1. Latest financial year figures

All values must be whole numbers. For example

6.5 months should be presented as 7 months

\$2 million should be presented as \$2,000,000

- Has the applicant existed for a complete financial year?
- If no, enter the number of months completed in the financial year to date.

You must provide the following financial information about the applicant organisation for the financial year you have entered above.

Values must be that of the entity applying (the 'applicant'), regardless of whether the entity belongs to a consolidated group for tax purposes.

These fields are mandatory and entering \$0 is acceptable if applicable for your organisation.

- Sales revenue (turnover)

Total revenue from the sale of goods and services, as reported in your organisation's Business Activity Statement (BAS).

- Export revenue

Total revenue from export sales, as reported in your organisation's Business Activity Statement (BAS).

- R&D expenditure

Expenditure on research and development, i.e. creative work undertaken on a systematic basis in order to increase the stock of knowledge, including knowledge of humankind, culture and society, and the use of this stock of knowledge to devise new applications.

- Taxable income

Taxable income or loss as per your organisation's income tax return form.

- Number of employees (headcount)

Number of individuals who are entitled to paid leave (sick and holiday), or generate income from managing your organisation. This should include working proprietors and salaried directors.

- Number of independent contractors (headcount)

Number of individuals engaged by your organisation under a commercial contract (rather than an employment contract) to provide employee-like services on site.

D.2. Your ANZSIC code

Provide from a drop-down menu:

- your organisation's main revenue earning division under the Australian and New Zealand Standard Industrial Classification ([ANZSIC](#)).

- your organisation's main revenue earning class under the Australian and New Zealand Standard Industrial Classification ([ANZSIC](#)).

D.3. Indigenous organisation

Is your organisation Indigenous owned?

An organisation is considered Indigenous owned where at least 51% of the organisation's members or proprietors are Indigenous.

Is your organisation Indigenous controlled?

An organisation is considered Indigenous controlled where at least 51% of the organisation's board or management committee is Indigenous.

E. Project information

On this page you must provide the detailed information about your proposed project.

If your application is successful, we will publish some grant details on [GrantConnect](#) and other government publications. Published details include:

- *name of the grant recipient*
- *a project title*
- *a brief project description and its intended outcome*
- *amount of grant funding awarded.*

E.1. Project title and description

Provide a project title.

Your response is limited to 75 characters including spaces and does not support formatting.

Provide a brief project description.

Your response is limited to 750 characters including spaces and does not support formatting.

Ensure your project description focuses on your project's key activities and outcomes. Outline what it is you are going to do and how it will deliver methane-reducing solutions to livestock and reduce carbon emissions.

E.2. Detailed project description and key activities

This information will be included in your grant agreement if your application is successful.

Provide a detailed description of your project including the project scope and key activities.

Your response is limited to 5000 characters including spaces and does not support formatting.

You must also provide a project plan which you should attach later in your application.

E.3. Project outcomes

This information will be included in your grant agreement if your application is successful.

Provide a summary of the expected project outcomes.

Your response is limited to 5000 characters including spaces and does not support formatting.

E.4. Project duration

Your project must be completed by 31 March 2027.

- Estimated project start date
- Estimated project end date
- Estimated project length (in months)

Your project can be no longer than 33 months.

E.5. Project milestones

Provide details on the project milestones including the key activities occurring at each milestone.

The milestone start and end dates must be between the project start and end dates.

- Milestone title

Your response is limited to 100 characters including spaces and does not support formatting.

- Description

Your response is limited to 750 characters including spaces and does not support formatting.

- Estimated start date
- Estimated end date

E.6. Project location

You must provide the address where your project will be undertaken and the estimated percentage of project value expected to be undertaken at that site. If you have multiple sites you must add the address of each site.

A project site must be a street address. Do not provide a postal address, institution or building name.

- Project site address
- Estimated percentage of project value expected to be undertaken at site

F. Project budget

F.1. Project budget summary

Provide a summary of your eligible project expenditure over the life of the project.

If you are registered for GST, enter the GST exclusive amount. If you are not registered for GST, enter the GST inclusive amount. We only provide grant funding based on eligible expenditure. Refer to the guidelines for guidance on eligible expenditure.

The minimum project expenditure for this grant opportunity is \$1.25 million.

You will also be required to attach a detailed project budget later in the application form.

Labour on-costs are limited to 30 per cent of your total eligible expenditure.

Domestic travel limited to 10 per cent of your total eligible expenditure.

Independent Audit Report costs up to a maximum of 1 per cent of total eligible expenditure.

Total			

F.2. Source of funding

In this section you must provide details of how you will fund the project.

The total of all sources of funding, should be equal to your total project expenditure in the section above. Sources of funding include:

- *grant amount sought*
- *your contribution*
- *other contributions as allowed in the grant opportunity guidelines*

F.3. Grant amount sought

You must enter the amount of grant funding you are requesting. We will add GST to this where applicable.

The minimum grant amount under this grant opportunity is \$1 million. The maximum grant amount under this grant opportunity is \$3 million.

F.4. Contributions

You will need to provide the following information for all other sources of funding

- Name of contributor
- Type of contributor

Contributors are divided into the following types

- *Your contribution (cash and or in-kind)*
- *Other Commonwealth government grants*
- *Other non-Commonwealth government grants*
- *Other non-government contribution*
- Value of contribution
- Date due of contribution
- Description

You may need to provide details around whether your contribution is sourced from bank loans, equity or cash flow etc.

Where you are receiving other government funding you will need to provide details.

G. Assessment criteria

We will assess your application based on the weighting given to each criterion and against the indicators listed beneath each criterion. We will only consider funding applications that score at least 50 per cent against each criterion as these represent best value for money.

The amount of detail and supporting evidence you provide should be commensurate with the project size, complexity and grant amount requested. You should define, quantify and provide evidence to support your answers.

G.1. Assessment criterion 1 (30 points)

Your response is limited to 5000 characters including spaces and does not support formatting.

Feasibility of your methane-reducing solutions for grazing animals (beef and dairy cattle, and sheep)

You should demonstrate this by describing:

- a. the solution you plan to utilise and how it would operate within common grazing management practices in Australia
- b. the technical viability of your solution including an assessment of its TRL
- c. results of previous testing and small-scale trials of the proposed solution and abatement impacts, and any sensitivities or risks identified.

G.2. Assessment criterion 2 (30 points)

Your response is limited to 5000 characters including spaces and does not support formatting.

Market opportunity of your solution

You should demonstrate this by describing and providing the justification for the:

- a. commercial potential of your solution including market research results and the expected net deployment cost for users
- b. abatement potential of your solution in Australia including the potential level of uptake, and mitigation efficiency in the different environments and grazing systems
- c. ability of your delivery-solution to deliver one or more of methane-inhibiting options (if applicable).

G.3. Assessment criterion 3 (30 points)

Your response is limited to 5000 characters including spaces and does not support formatting.

Capacity, capability and resources to deliver the project

You should demonstrate this by describing:

- a. you and your project partners track record managing similar projects and access to personnel with the right skills and experience (including experience with grazing production systems and enteric emissions measurement equipment)
- b. your access, or future access to any infrastructure, capital equipment (including enteric emissions measurement equipment), inputs required for your methane-reducing solution and

intellectual property needed to undertake the project. You should provide supporting documentation to demonstrate this. For example, this could include letters of agreement from a low emissions feed supplement supplier.

You must also attach a project plan and communication plan to support your response to this assessment criterion. Your project plan and communication plan should meet the requirements outlined in section 7.1.1.

G.4. Assessment criterion 4 (10 points)

Your response is limited to 5000 characters including spaces and does not support formatting.

Impact of grant funding

You should demonstrate this by describing:

- a. the amount of co-investment (cash and/or separately in-kind contributions, from your entity, other levels of government or project partners) and any additional investment the grant will leverage and explain how this benefits your project
- b. how the grant will impact your project scope including the likelihood your project would not proceed without the grant
- c. the predicted outcomes (environmental/ social/ scientific/ technological) of your proposed solutions.

H. Project partners

You must provide details about your project partners.

For details about project partner contributions refer to the grant opportunity guidelines.

You must provide

- Australian Business Number (ABN)
- Other registration number where applicable
- Business address
- Postal address
- Contact details
- Project partner letter of support attached. Letter to include details of partner contributions.

I. Bank account details

I.1. Bank account details

If your application is successful we will need to set up a payment process to pay your grant. We need your bank account details to do this. If your application is not successful we will not process these details.

We can only pay grant funding to the applicant organisation, who if successful will be party to a grant agreement with the Commonwealth. You must provide bank account details for this organisation.

I.2. Account details

Account name

BSB

Account number

I.3. Payment contact

Given name

Family name

Email address

Phone number

J. Application finalisation

You must answer the following questions and add any supporting documentation required.

J.1. Conflict of interest

Do you have any perceived or existing conflicts of interest to declare?

Refer to the grant opportunity guidelines for further information on your conflict of interest responsibilities.

If yes, describe the perceived or existing conflicts of interest.

Your response is limited to 750 characters including spaces and does not support formatting.

If yes, describe how you anticipate managing this conflict.

Your response is limited to 750 characters including spaces and does not support formatting.

J.2. Additional information

You must attach the following supporting documentation. You should only attach documents we have requested.

The total of all attachments cannot exceed 20 MB.

Individual files must be smaller than 2.0mb, and be one of the following types: doc, docx, rtf, pdf, xls,xlsx, csv, jpg, jpeg, png, gif.

Filenames should only include letters or numbers and should be fewer than 40 characters.

- Project plan

You must submit a project plan including scope, implementation methodology, and timeframes. The project plan should mitigate delivery risks, and show that any regulatory or other approvals have been secured.

- Project communication plan

You must submit a project communication plan describing how you plan to publish the outcomes of your projects (including in peer-reviewed publications) and disseminate information to producers, agricultural advisers or suppliers, and other industry stakeholders.

- Detailed project budget

You must submit a detailed project budget clearly outlining all eligible and ineligible expenditure for the project.

- Evidence to support response to assessment criteria (where applicable)

Attach any evidence referenced in your responses to the assessment criteria (where applicable)

- Accountant declaration

You must submit an accountant declaration (template will be provided on business.gov.au and GrantConnect)

- Trust deed

Provide a copy of your trust deed (if applicable)

J.3. Program feedback

How did you hear about the grant opportunity? *

You must select from a drop-down menu.

Did you read the grant opportunity guidelines? *

You must select from a drop-down menu.

We welcome any additional feedback on the guidelines.

Your response is limited to 750 characters including spaces and does not support formatting.

How satisfied were you with the process of applying for a grant? *

You must select from a drop-down menu.

We welcome any additional feedback on the application process.

Your response is limited to 750 characters including spaces and does not support formatting.

L. Application declaration

In order to submit your application you will be required to agree to the following declaration.

L.1. Privacy and confidentiality provisions

I acknowledge that this is an Australian Government program and that the Department of Industry, Science and Resources (the department) will use the information I provide in accordance with the following:

- [Australian Government Public Data Policy Statement](#)
- [Commonwealth Grants Rules and Guidelines](#)
- grant opportunity guidelines
- applicable Australian laws.

Accordingly, I understand that the department may share my personal information provided in this application within this department and other government agencies:

- a. for purposes directly related to administering the program, including governance, research and the distribution of funds to successful applicants
- b. to facilitate research, assessment, monitoring and analysis of other programs and activities unless otherwise prohibited by law.

I understand that where I am successful in obtaining a grant, the financial information that I provide for the purposes of payment will be accessible to departmental staff to enable payments to be made through the department's accounts payable software system.

I understand that information that is deemed 'confidential' in accordance with the grant opportunity guidelines may also be shared for a relevant Commonwealth purpose.

The department will publish information on individual grants in the public domain, including on the department's website, unless otherwise prohibited by law.

L.2. Applicant declaration

I declare that I have read and understood the grant opportunity guidelines, including the grant agreement, privacy, confidentiality and disclosure provisions.

I declare that the proposed project outlined in this application and any associated expenditure has been endorsed by the applicant's board/ management committee or person with authority to commit the applicant to this project.

I declare that the applicant will comply with, and require that its subcontractors and independent contractors comply with, all applicable laws.

I declare that the applicant and any project partners are not listed on the [National Redress Scheme](#) list of institutions, where sexual abuse has occurred, that have not joined or signified their intent to join the Scheme.

I declare that the applicant is not named by the [Workplace Gender Equality Agency](#) as an organisation that has not complied with the *Workplace Gender Equality Act 2012*.

I confirm that the applicant, project partners and associated activities are in compliance with current [Australian Government sanctions](#).

I declare that the information contained in this application together with any statement provided is, to the best of my knowledge, accurate, complete and not misleading and that I understand that giving of false or misleading information is a serious offence under the *Criminal Code Act 1995* (Cth).

I acknowledge that I may be requested to provide further clarification or documentation to verify the information supplied in this form and that the department may, during the application process, consult with other government agencies, including state and territory government agencies, about the applicant's claims and may also engage external technical or financial advisors to advise on information provided in the application.

I agree to participate in the periodic evaluation of the services undertaken by the department.

I approve the information in this application being communicated to the department in electronic form.

I acknowledge that if the department is satisfied that any statement made in an application is incorrect, incomplete, false or misleading the department may, at its absolute discretion, take appropriate action. I note such action may include excluding an application from further consideration; withdrawing an offer of funding; using the information contained in the application for a fraud investigation that would be consistent with the Australian Government's Investigations Standards and Commonwealth Fraud Control Framework and/or for a grant under management, terminating a grant agreement between the Commonwealth and the grantee including recovering funds already paid.

I declare that I am authorised to submit this form on behalf of the applicant and acknowledge that this is the equivalent of signing this application.
