19.1.3 In the event of reduction under clause 19.1.1, the amount of the Grant will be reduced in proportion to the reduction in the scope of the Agreement.

19.2 Suspension

19.2.1 If:

- (a) the Grantee does not comply with an obligation under this Agreement and the Commonwealth believes that the non-compliance is capable of remedy;
- (b) the Commonwealth reasonably believes that the Grantee is unlikely to be able to perform the Activity or manage the Grant in accordance with this Agreement; or

19.2.2 If the Grantee:

- (b) fails to remedy the non-compliance or inability within the time specified, or the Commonwealth reasonably concludes that the concern is likely to be substantiated, the Commonwealth may reduce the scope of the Agreement in accordance with clause 19.1 or terminate the Agreement immediately by giving a second notice in accordance with clause 19.3.

19.3 Termination for fault

19.3.1 The Commonwealth may terminate this Agreement by notice where the Grantee has:

- (a) a change in government policy; or

20.2 On receipt of a notice of reduction or cancellation under this clause, the Grantee agrees to:

- (a) stop or reduce the performance of the Grantee's obligations as specified in the notice; and

- (c) continue performing any part of the Activity or the Agreement not affected by the notice if requested to do so by the Commonwealth;
- (d) report on, and return any part of the Grant to the Commonwealth, or otherwise deal with the Grant, as directed by the Commonwealth.

20.3 In the event of reduction or cancellation under this clause, the Commonwealth will be liable only to:

- (a) pay any part of the Grant due and owing to the Grantee under this Agreement at the date of the notice; and
- (b) reimburse any reasonable and substantiated expenses the Grantee unavoidably incurs that relate directly and entirely to the reduction in scope or cancellation of the Agreement.

20.4 In the event of reduction, the amount of the Grant will be reduced in proportion to the reduction in the scope of the Agreement.

20.5 The Commonwealth's liability to pay any amount under this clause is:

- (a) subject to the Grantee's compliance with this Agreement; and
- (b) limited to an amount that when added to all other amounts already paid under the Agreement will not exceed the total amount of the Grant.

20.6 The Grantee will not be entitled to compensation for loss of prospective profits or benefits that would have been conferred on the Grantee but for the cancellation or reduction in scope of the Agreement under clause 20.1.

20.7 The Commonwealth will act reasonably in exercising its rights under this clause.

Schedule 2 Commercialisation Terms and Conditions

1. Definitions and interpretation

1.1 In this Schedule:

Associate means, in relation to an entity (including a party), any Related Body Corporate, and any officer, employee, agent, contractor, consultant, nominee, secondee, service supplier, financier, insurer, licensee, adviser or invitee.

Commercialisation Agreement means any proposed or final agreement, undertaking, commitment, dealing or other arrangement under, or in relation to which, the Grantee (or its Associate) is involved in, or under which it is contemplated that there will be, the Commercialisation of the Relevant Intellectual Property.

Commercialisation Plan means the plan required to be created by the Grantee in accordance with clause 4.1 of this Schedule.

Commercialise means, in relation to Relevant Intellectual Property:

- (a) the use, research, development, testing, manufacture, or exploitation of the Relevant Intellectual Property;
- (b) the creation or development of a product, process, service or treatment incorporating or based on the Relevant Intellectual Property; or
- (c) the transfer, licence (including any sublicense), assignment, disposal, granting of exclusive use of, or dealing with (including via trust) the Relevant Intellectual Property (whether in whole or part).

Commercialised Product means any product, good, treatment or services which is created, developed, funded, derived or otherwise brought about under a Commercialisation Agreement.

Commonwealth Terms means the terms and requirements set out in clause 3.1.

Related Body Corporate has the meaning given in section 50 of the Corporations Act 2001 (Cth).

Relevant Intellectual Property means any Intellectual Property Rights which are created, developed, funded, derived or otherwise brought about as part of, a result of or as contemplated by the Grant and/or the Activities.

2. Acknowledgements

2.1 The parties acknowledge and agree that:

- (a) the Commonwealth does not make any claim of ownership (whether whole or in part) to any proprietary interest in the Relevant Intellectual Property (and in this respect clause ST3 of the Supplementary Terms and clause 17 of Schedule 1 have full force and effect);
- (b) except for the rights specified in this Schedule, the Commonwealth does not claim any commercial or financial right arising out of or in relation to the Relevant Intellectual Property, the development of such Relevant Intellectual Property or the entering into of any Commercialisation Agreement; and
- (c) the Grantee may only transfer, licence (including any sublicense), dispose, allow the exploitation of, grant exclusive use of or undertake any other dealing (including via trust) with the Relevant Intellectual Property through rights and obligations exercised by the

Grantee under a Commercialisation Agreement entered into in accordance with this Agreement, and in no other circumstance.

3. Commercialisation Agreement

3.1 The parties acknowledge and agree that:

- (a) opportunities to commercialise a product brought about in relation to Relevant Intellectual Property may arise during the term of this Agreement;
- (b) the Commonwealth has the opportunity to enter into an arrangement to purchase any resulting Commercialised Products (but excluding the purchase of the Relevant Intellectual Property) at the earliest possible time; and
- (c) any such arrangement contemplated by 3.1(b) must be on commercial terms and other terms, including terms relating to the required volume and the timing of the provision of any Commercialised Products, which are no less favourable than terms offered to any other party in relation to the provision of the Commercialised Products

(together the Commonwealth Terms.)

3.2 Implementation of Commonwealth Terms

- (a) The Grantee must ensure that each Commercialisation Agreement entered into by the Grantee contains terms which give full effect to the Commonwealth Terms to the satisfaction of the Commonwealth.
- (b) Without limitation, if required by, and at the election of, the Commonwealth (in its absolute discretion), the Grantee must ensure that:
 - i. under any and all Commercialisation Agreements the Grantee holds the Commonwealth Terms in the Commercialisation Agreements for the benefit of and on trust for the Commonwealth, such that those terms may be directly enforced by the Commonwealth against the other parties to the Commercialisation Agreement;
 - ii. under any and all Commercialisation Agreements any claim, enforcement right or cause of action arising out of or in relation to the Commonwealth Terms may be assigned in favour of the Commonwealth as and when directed by the Commonwealth without the consent of any party to the relevant Commercialisation Agreement so that the Commonwealth may enforce the Commonwealth Terms in its own right against any and all relevant parties to the Commercialisation Agreement (and, in this respect, the Grantee will execute, or procure the execution of, any documentation required to give effect to such assignment as required by the Commonwealth); and
 - iii. each party to any and all Commercialisation Agreements provides an enforceable undertaking to the Commonwealth under which it irrevocably agrees to comply with the relevant Commonwealth Terms,
 - iv. each to the satisfaction of the Commonwealth.

3.3 Review and confirmation

- (a) the Grantee must not execute or otherwise become bound by any Commercialisation Agreement until and unless the Commonwealth has reviewed the relevant Commercialisation Agreement and confirmed to the Grantee that it complies with clause 3.2;

- (b) subject to, and without limiting, clause 3.3(c), where any Commercialisation Agreement contains terms as required under clause 3.2 (as determined by the Commonwealth), then:
 - i. the Commonwealth must not unreasonably withhold the provision of its confirmation under clause 3.3(a); and
 - ii. if the Commonwealth has not provided its confirmation under clause 3.3(a) within 28 days following the provision of the relevant agreement to the Commonwealth for the purposes of this clause, the Commonwealth will be deemed to have provided its confirmation for the purposes of clause 3.3(a);
- (c) where the Commonwealth has notified the Grantee that it is not satisfied that the Commercialisation Agreement complies with clause 3.2, or the Grantee has notified the Commonwealth that the Commercialisation Agreement does not, or may not, comply with the requirements in clause 3.2, the Commonwealth may refuse to provide its confirmation under clause 3.3(a) and the Grantee must:
 - i. not execute or otherwise become bound by the relevant Commercialisation Agreement until such time the Commonwealth confirms that the Commercialisation Agreement complies with the requirements of clause 3.2 to the satisfaction of the Commonwealth; and
 - ii. promptly meet with the Commonwealth to discuss relevant amendments required to the Commercialisation Agreement in order for the Commonwealth to be satisfied that the agreement complies with clause 3.2.

3.4 Amendment of the Commercialisation Agreement

- (a) No amendment, variation, transfer, assignment, novation or other change of any type (being an Amendment) may be made to any Commercialisation Agreement reviewed and confirmed by the Commonwealth and entered into or otherwise completed as contemplated under clause 3.3 until and unless that Amendment has been reviewed by the Commonwealth and the Commonwealth has confirmed to the Grantee that the Commercialisation Agreement as amended would continue to comply with the requirements of clause 3.2 to the satisfaction of the Commonwealth.
- (b) Subject to, and without limiting, clause 3.4(c), where an Amendment does not affect the inclusion or operation of the terms required under clause 3.2 (as determined by the Commonwealth), then:
 - i. the Commonwealth must not unreasonably withhold the provision of its confirmation under clause 3.4(a); and
 - ii. if the Commonwealth has not provided its confirmation under clause 3.4(a) within 28 days following the provision of the relevant agreement to the Commonwealth for the purposes of this clause, the Commonwealth will be deemed to have provided its confirmation for the purposes of clause 3.4(a).
- (c) Where the Commonwealth has notified the Grantee that it is not satisfied that the relevant Commercialisation Agreement as amended would comply with clause 3.2, or the Grantee has notified the Commonwealth that the Commercialisation Agreement does not, or may not, comply with the requirements in clause 3.2, the Grantee:
 - i. must not execute or otherwise become bound by the relevant Amendment until such time as the Commonwealth confirms that the Commercialisation Agreement as

amended complies with the requirements of clause 3.2 to the satisfaction of the Commonwealth; and

- ii. must promptly meet with the Commonwealth to discuss relevant amendments required to the Amendment in order for the Commonwealth to be satisfied that the relevant Amendment will still ensure compliance with clause 3.2; and
- iii. irrevocably agrees that it must not and cannot rely upon or assert a defence or claim based on any such Amendment until such time as it has been confirmed by the Commonwealth in accordance with clause 3.4(a).

3.5 Assistance

The Grantee must:

- (a) provide all assistance and information as reasonably required by the Commonwealth from time to time in relation to the enforcement of any and all Commonwealth Terms incorporated into a Commercialisation Agreement as contemplated under this clause 3; and
- (b) comply with and enforce the Commercialisation Agreement in all other respects and maintain the positions of each respective party so as to ensure that the Commonwealth is not disadvantaged as a result of the Grantee's conduct in respect of the Commercialisation Agreement.

3.6 Good faith

The Grantee and its Associates must:

- (a) not use any technique or strategy, or enter into any arrangement with any other third party, which will have as a purpose or effect the defeating of the intention of this clause 3; and
- (b) as between the Grantee and the Commonwealth, act in good faith in respect of this agreement and any Commercialisation Agreement, the Commercialised Products or any Relevant Intellectual Property or any other related activities.

3.7 Remedies

Where either the Grantee or any counter party to a Commercialisation Agreement fails to comply with any of the undertakings referred to in this Schedule, the Grantee agrees that damages may not be a sufficient remedy and that the Commonwealth may seek specific performance or a mandatory injunction to require the Grantee or any counter party to a Commercialisation Agreement (as applicable and to the extent possible at law) to comply with the undertakings made under this Schedule.

4. Commercialisation Plan and Reporting

4.1 Preparation of Commercialisation Plan

- (a) Within 60 days of the date of this Agreement, the Grantee must prepare a draft Commercialisation Plan for review by the Commonwealth, where such plan will be developed in accordance with clause 4.1(d).
- (b) the Commonwealth (or its nominee) will promptly review the draft Commercialisation Plan submitted by the Grantee under clause 4.1(a) and may:
 - i. approve the relevant plan; or

- ii. require the Grantee to make such amendments to the draft Commercialisation Plan as the Commonwealth considers necessary (acting reasonably) and then promptly resubmit the draft Commercialisation Plan to the Commonwealth for review as contemplated under clause 4.1(a).
- (c) Where a draft Commercialisation Plan has been approved by the Commonwealth as contemplated under clause 4.1(b)(i), that draft Commercialisation Plan will become the final Commercialisation Plan and the Grantee must use all reasonable endeavours to comply with that final Commercialisation Plan.
- (d) Any Commercialisation Plan developed for the purposes of this clause 4 must cover, amongst other things:
 - i. an overview of how the Grantee proposes to Commercialise the Relevant Intellectual Property; and
 - ii. the identification of the key milestones anticipated by the Grantee in relation to the:
 - a. Commercialisation of the Relevant Intellectual Property;
 - b. identification of relevant parties for assistance in Commercialising the Relevant Intellectual Property (including potential counter parties for the purposes of any and all Commercialisation Agreements); and
 - c. development and completion of a Commercialisation Agreement in respect of the Relevant Intellectual Property.

4.2 Reporting

Without limiting the requirements under this Agreement, the Grantee must advise the Commonwealth in writing:

- (a) promptly following the entering into of any non-binding preliminary agreement, terms sheet, memorandum of understanding or other arrangement with any party in any way in relation to the Commercialisation of the Relevant Intellectual Property or the preparation of a potential Commercialisation Agreement; and
- (b) at least 60 days prior to the date on which it expects that a Commercialisation Agreement may be executed or otherwise become binding, that it is expecting a Commercialisation Agreement may be finalised and must provide all relevant documentation in relation to the proposed Commercialisation Agreement (as updated as required from time to time) including, but not limited to:
 - i. a copy of the relevant Commercialisation Agreement, and any supporting information or documentation to be read alongside the agreement;
 - ii. details of the counter parties to the Commercialisation Agreement; and
 - iii. such other information in relation to the Commercialisation Agreement as may be required by the Commonwealth to assist in confirming compliance with this Schedule.

5. Survival Clause

Without limiting clause 21 of Schedule 1, this Schedule survives the expiration or earlier termination of this Agreement.

Independent audit report

Background

These templates assist Grantees (and their auditors) to understand the audit requirements under a Commonwealth grant agreement administered by the Department of Industry, Science, Energy and Resources. For further information contact us on 13 28 46 or at business.gov.au.

When an independent audit report is required under our grant agreements the Grantee must provide us with:

- a statement of grant income and expenditure against the expenditure categories under the grant agreement (attachment A)
- an independent audit report on the statement of grant income and expenditure (attachment B)
- certification of certain matters by the auditor (attachment C).

You can find additional information on the grant opportunity relevant to your grant at business.gov.au or by calling us on 13 28 46.

Eligible expenditure

Advice on eligible expenditure for projects under the grant opportunity can be found in grant opportunity guidelines. These guidelines are revised from time to time and therefore more than one version of the document may exist. The relevant guidelines are those that were effective at the time the Grantee's application was accepted.

It is essential that Grantees and their auditors understand the eligible expenditure requirements because these determine whether, and the extent to which, certain costs are reportable and claimable.

The amount of grant funding we approve is based on the Grantee's estimated eligible expenditure, as provided in their application. However, the grant funding any Grantee is ultimately entitled to receive is determined against actual eligible expenditure incurred and paid for on the project. The grant amount specified in the grant agreement is the **maximum** amount the Grantee may be paid.

The expenditure reported in the 'statement of grant income and expenditure' at attachment A must represent actual 'eligible expenditure' paid on the project during that period.

Attachment B - Independent audit report

Background for auditors

The purpose of the independent audit report is to provide us with an auditor's opinion on the Grantee's statement of grant income and expenditure. The statement of grant income and expenditure is prepared by the Grantee to correspond with the expenditure reported to the department by the Grantee for the same period, in the process of claiming grant payments.

The independent audit report must be prepared by a person who is an approved auditor.

An approved auditor is a person who is:

- a. registered as a company auditor under the *Corporations Act 2001* or an appropriately qualified member of Chartered Accountants Australia and New Zealand, or of CPA Australia or the Institute of Public Accountants; and
- b. not a principal, member, shareholder, officer, agent, subcontractor or employee of the Grantee or of a related body corporate or a Connected Entity.

The audit should be undertaken and reported in accordance with Australian Auditing Standards.

The independent audit report must follow the required format and include any qualification regarding the matters on which the auditor provides an opinion. We may follow up any qualifications with the Grantee or auditor. The independent audit report must be submitted on the auditor's letterhead.

Auditors must comply with the professional requirements of Chartered Accountants Australia and New Zealand, CPA Australia and the Institute of Public Accountants in the conduct of their audit.

If the auditor forms an opinion that the statement of grant income and expenditure does not give a true and fair view of the eligible expenditure for the period, the independent audit report should be qualified and the error quantified in the qualification section of the independent audit report.

The required independent audit report format follows.

Auditor's report

Independent audit report in relation to [Grantee name]'s statement of grant income and expenditure to the Commonwealth, represented by the Department of Industry, Science, Energy and Resources (the department).

We have audited:

- a. the accompanying statement of grant income and expenditure of [Grantee name] for the period [dd/mm/yyyy] to [dd/mm/yyyy], a summary of significant accounting policies and other explanatory information, and management's attestation statement thereon (together "the financial statement"). The financial statement has been prepared by management using the cash basis of accounting described in note 3.2 to the financial statement; and
- b. [Grantee name]'s compliance with the terms of the grant agreement between [Grantee name] and the Commonwealth dated [date of agreement] for the period [dd/mm/yyyy] to [dd/mm/yyyy] (the grant agreement).

We have:

- a. reviewed [Grantee name]'s statement of labour costs in support of its claim of eligible expenditure; and
- b. performed limited assurance procedures on [Grantee name]'s statement of employee numbers under the grant agreement].

Management's responsibility

Management is responsible for:

- a. the preparation and fair presentation of the financial statement in accordance with the basis of accounting described in note 3.2, this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statement in accordance with the grant agreement;
- b. compliance with the terms of the grant agreement;
- c. the preparation of the statement of employee numbers and labour costs in support of eligible expenditure; and
- d. such internal control as management determines is necessary to:
 - i enable the preparation of the financial statement and the statement of [employee numbers and]labour costs that are free from material misstatement, whether due to fraud or error; and
 - ii enable compliance with the terms of the grant agreement.

Auditor's responsibility

Our responsibilities are:

- a. To express an opinion, based on our audit, on:
 - i the financial statement; and
 - ii [Grantee name]'s compliance, in all material respects, with the terms of the grant agreement; and

- b. To conclude based on:
 - i our review procedures, on the statement of labour costs; and
 - ii our limited assurance procedures on the statement of employee numbers.

We conducted our audit of the financial statement in accordance with Australian Auditing Standards; our audit of compliance with the grant agreement in accordance with ASAE 3100, our review of the statement of labour costs in accordance with ASRE 2405; and our limited assurance procedures on employee numbers in accordance with ASAE 3000]. The applicable Standards require that we comply with relevant ethical requirements and plan and perform our work to:

- a. obtain reasonable assurance about whether the financial statement is free from material misstatement and that [Grantee name] has complied, in all material respects, with the terms of the grant agreement; and
- b. obtain limited assurance as to whether anything has come to our attention that causes us to believe that the statements of employee numbers and labour costs are materially misstated.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement and about the Grantee's compliance with the grant agreement. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Grantee's preparation and fair presentation of the financial statement, and to the Grantee's compliance with the grant agreement, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Grantee's internal control. An audit also includes evaluating the appropriateness of accounting policies used by management, as well as evaluating the overall presentation of the financial statement.

A review consists of making enquiries and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion on the statement of labour costs.

A limited assurance engagement undertaken in respect of the statement of employee numbers, in accordance with ASAE 3000 involves [level of detail about procedures to be determined by the auditor]. The procedures performed in a limited assurance engagement vary in nature and timing from, and are less in extent than for, a reasonable assurance engagement; and consequently, the level of assurance obtained in a limited assurance engagement is substantially lower than the assurance that would have been obtained had a reasonable assurance engagement been performed.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion, review and limited assurance conclusions.

Opinion

In our opinion:

- a. the financial statement presents fairly, in all material respects, the grant income and expenditure of [Grantee name] for the period [dd/mm/yyyy] to [dd/mm/yyyy] in accordance with the cash basis of accounting described in note 3.2 and the terms of the grant agreement, dated [date of agreement], with the Commonwealth; and

- b. [Grantee name] has complied, in all material respects, with the requirements of the grant agreement between the organisation and the Commonwealth dated [date of agreement], for the period [dd/mm/yyyy] to [dd/mm/yyyy].

Basis of Accounting and Restriction on Distribution

Without modifying our opinion, we draw attention to note 3.2 to the financial statement, which describes the basis of accounting. The financial statement is prepared to provide information to the department in accordance with the grant agreement, dated [date of agreement]. As a result, the financial statement may not be suitable for another purpose.

Use of Report

This report has been prepared for [Grantee name] and the department in accordance with the requirements of the grant agreement between [Grantee name] and the Commonwealth, dated [date of agreement]. We disclaim any assumption of responsibility for any reliance on this report to any persons or users other than [Grantee name] and the department, or for any purpose other than that for which it was prepared.

Conclusions

Based on:

- a. Our review, which is not an audit, nothing has come to our attention that causes us to believe that the statement of labour costs in the period [dd/mm/yyyy] to [dd/mm/yyyy] is not, in all material respects, fairly presented in accordance with the grant agreement dated [date of agreement] with the Commonwealth; and
- b. The procedures we have performed and the evidence we have obtained, nothing has come to our attention that causes us to believe that the statement of employee numbers as at [dd/mm/yyyy] is not prepared, in all material respects, in accordance with the grant agreement dated [date of agreement] with the Commonwealth].
